

Literal responses

Q1a Have you visited the Village Hall in the last two years? If 'Yes', what would you deem the best aspects of the hall as a community building?

- 1) Large flexible area for activities
- 2) Only for voting at election time
- 3) I only went to vote so difficult to comment here but available and convenient for villages
- 4) Two good sized rooms. Kitchen.
- 5) Conveniently situated
- 6) centre for meetings and activities
- 7) The size of the building
- 8) The available space
- 9) Within walking distance, plenty of space
- 10) Good size, good access
- 11) Within walking distance. Toilets. Wheelchair access. Close to School and Church.
- 12) Good sized and flexible room/s
- 13) I was impressed how large it was as I remember the building before it was even extended and I was surprised how good the kitchen facilities were and also the toilet facilities. The flooring also and means of heating.
- 14) Its position, near the village green. Its history.
- 15) The village hall is in a safe environment. It is well kept and has all the facilities needed to provide a community building for all types of activities, young or old.
- 16) Its large size
- 17) The hall has a lot of potential but is in dire need of TLC. It could and should be the heart of the community.
- 18) Voting
- 19) Catering facilities
- 20) Clean and compact and the ability to split the room
- 21) The space it has
- 22) Good kitchen facilities
- 23) Cleanliness, good bright decorations and good kitchen
- 24) The fact that it is a 'community' building. More things should be on offer now pre-school have moved.
- 25) Only visited once to vote in May
- 26) Large size for parties, etc. Adequate toilets and kitchen facilities.
- 27) It is a good size and facilities, local access for surrounding villages. Suitable for all uses. Safe environment.
- 28) Large enough to hold community events. Appears reasonably maintained.
- 29) Space, warmth, cooking facilities
- 30) Large space - kitchen
- 31) Kitchen good. Size of hall good although 'L' shaped. Would be better if bit larger.
- 32) Large enough for groups of all sizes with flexible areas
- 33) Central location, spacious and light
- 34) Central location. Size.
- 35) Good large space with kitchen facilities
- 36) Light and airy
- 37) Large hall therefore plenty space. Kitchen facilities with cups & saucers etc.
- 38) Having two sections enabling large or small functions. Kitchen facilities. Location.
- 39) Large space with flexible segregation
- 40) Spacious
