Q3a Which (if any) of the following activities would you be interested in at the Village Hall? Any others not listed above (please list below):

- 1) Please see my response to Q9 (*I have lived in Maunby for 15 years and I was not aware there was a "community" village hall serving our village. How are committee members recruited and from where? In 15 years I have never received any literature/advertising about voting for committee members/joining the committee or about any activity/event taking place (other than for polling day) In my experience, no one from Maunby has been encouraged to use the village hall so perhaps like me many don't know it exists as a village hall serving three villages. If that is the case you may find that this questionnaire receives a less than enthusiastic response which is a shame because I feel it is vitally important for small villages to cater in particular for senior citizens and children/youths and had I known we had a village hall I would have certainly offered help.*)
- 2) CONDUCT A FEASIBILITY STUDY AND CONSIDER THE FOLLOWING: SET UP A TREATMENT ROOM WHICH COULD BE USED BY MOBILE HAIRDRESSER, DOCTORS/NURSES FOR CLINICS OR HOLISTIC THERAPIES SUCH AS REIKI - MASSAGE ETC., WHAT OTHER INTERESTS DO LOCAL PEOPLE HAVE THAT COULD BE RELOCATED TO THE HALL?
- 3) Some way of local recycling, i.e. a "yard sale" or "freecycle" type day when locals can give away or pick up stuff, no idea how this would work
- 4) Craft fairs, Bring ad Buy sales, painting /art classes
- 5) Belly dancing
- 6) Film club or similar
- 7) Badminton club
- 8) Brownies. Antiques.
- 9) Tai Chi, quizzes.
- 10) Children's disco nights?
- 11) Tai Chi and Rural Arts productions
- 12) Tai Chi
- 13) 'Dances' rather than 'Dancing' might be an idea. 'Classic Car Show' with VH as the centre - on village green? (I used to organise one up at the Police HQ when Della Cannings was in charge)
- 14) Try lots of things.
