

## Clerk's report following October update

### Follow up to matters arising:

#### **Village Furniture**

The village benches have been delivered. The Memorial bench has been secured in place and the family notified. The Bellerby bench is in storage at Scott's until the concrete pad is in place.

The family have forwarded the funding for the memorial bench.

#### **Precept & External Audit**

The precept demand for 2021-2022 has been submitted.

The external audit certificate has been received and posted to the noticeboard and website.

#### **Electoral Register**

The new version of the electoral register has been received and all old copies must be destroyed.

#### **Community Garden**

The funding claim to the Local Area Partnership has been submitted.

Quotes for the additional groundwork have been requested from the handyman and two other builders.

#### **Emergency Committee**

Cllr Chilton and the Clerk held a site meeting with Metcalfe Farms and North Yorkshire County Council Flood Risk Management Team to consider the proposed flood alleviation projects. The feasibility study is expected to be circulated in December with an on-line meeting to be arranged with the Parish Council in January.

Applications for funding from the 2Ridings Foundation have been submitted for funding for the potential flood alleviation projects in the village in collaboration with Metcalfe Farms.

#### **Census 2021**

The Census will still go ahead in 2021
