Business Matters

1 Update on funding applications submitted

An application for donation of materials has been submitted to Wickes. Once a decision is reached the list will be edited and circulated for updating. A Wickes representative has been invited to visit the site.

A donations board has been suggested to display the donations received from the various organisations.

The Jubilee fund will not support the purchase of benches and gardening materials. The Covid pebbles have also all disappeared. The funding application was therefore altered to include arts and crafts materials. The proposal is to offer an Arts and Crafts Flower Festival event to the Toddlers Group at the Memorial Hall and a further event for all age groups at the Community Garden. Crafters and artists from the village will be invited to get involved and share their skills.

It was suggested that the artists could also be asked to supervise painting of a mural on the shed.

2 Update on the Jubilee bed plan

Metcalfe Farms are unable to deliver the stone due to the narrowness of the gateway so a contingency plan is being considered.

5 Made in Bellerby event 8th May 2022

The display board was ready for the event. The 'Wanted List' would be included on the board. KF has organised a raffle to raise funds for the garden along with a donation box and the finds collection.

6 Open Gardens event 3rd July 2022

The garden would be Site No 1 on the map and would host the plant sale.

7 Bellerby Community Garden Facebook group

The Facebook group @Bellerby Community Garden has 38 members some of whom are non-residents.

8 Priorities

The level of the water in the culvert has dropped so water access has become a priority. The Parish Council would be approached to fund the purchase of a water pump.

CLlr Singleton would look at installing the downpipe kit and connecting the water butts.

9 Ordnance Survey

The OS had visited the garden to survey and photograph the site ahead of the land registration.
